

IMMUNIZATION DAYS

860 East 59th Street, MC 3052, R100, Chicago, IL 60637
Phone: (773) 702-4156 Immunization Phone: (773) 702-9975

Saturday: October 3, 2009
10:00-2:00pm

Saturday: November 7, 2009
10:00-2:00pm

*The State of Illinois requires all students to provide proof of receiving Measles (Rubeola), Mumps, German Measles (Rubella) and Tetanus/Diphtheria vaccines.

*Immunization forms are due to the SCC by August 7th, 2009.

*Failure to submit your immunization information properly will result in you being placed on restriction, which will restrict your access to University facilities and prevent future class enrollments.

*Immunization forms are on-line at <http://scc.uchicago.edu>.

*Students who do not have access to their immunization documentation or are missing vaccine information should attend this program.

*The required measles/mumps/rubella and tetanus/diphtheria vaccinations will be available for a cost of \$25/vaccine (exact cash or check).

*Vaccinations are available on a walk-in first-come, first-served basis.

*Students needing multiple vaccines must return for follow-up vaccination in November.

*Questions? Email: sccimm@uchospitals.edu or go on-line to <http://scc.uchicago.edu>
